

Rocky

Bolo

One of my biggest successes was learning how to play Ultimate Frisbee, how to throw a frisbee, and how to catch a frisbee. And the reason was because of Rocky. I will tell a whole paragraph on how he is a great player.

One reason is that Rocky's team (San Francisco Revolvers) won five national championships (2010, 2012, 2014, 2015, 2017). Also, Rocky's team has another All Star which is BEAU KITTREDGE. Which helped the San Francisco Revolvers win.

In conclusion, that's how I got really good. As well as my friends Rudel, Donis, Syler, Mauricio and Franchelle. When ever it's Thursday, then that's when Rocky will come to our school. Furthermore, Frisbee got me playing it for two years.
